

Dr Neelmanee Ramphul

I am a General Paediatrician with a special interest in paediatric respiratory medicine.

I qualified from Newcastle University in 1997 and trained part-time mostly in the North East of England and in Edinburgh.

I have worked in paediatrics since 1999 and as a consultant since 2012. I currently work at Queen Elizabeth Hospital in Gateshead, and I also work as clinical lead for paediatric asthma with the Child Health and Wellbeing Network (North East and North Cumbria ICB).
