

## Process for becoming a BeatAsthma Course Director

Successfully complete a tier 3 BeatAsthma face to face course and be nominated as a potential new course director  
(if you know in advance you would like to be nominated, express an interest at the start of the day)

Complete the 'Recommendation to become a course director' form outlining why you wish to become a course director, what formal educational experience you have and the course director who nominated you.

If your application is approved, you will be notified by email and invited to complete 1-2 'buddy courses'

Successfully complete the buddy course(s)

Register as a course director on the courses page at BeatAsthma.  
Ensure you meet all the criteria and complete the course charter and conflicts of interest form

Receive your login to the course directors area
